

## Evaluation System

To upgrade students' academic standard the Campus conducts internal examinations (unit tests, monthly tests and terminal tests) on regular basis. Students' progress report is maintained and parents are given feedback on the basis of their regular assignment, class activities and academic performance.

## General Code of Conduct

Students have to abide by the general code of conduct issued by the campus and are required to maintain high moral standard and discipline to achieve academic success. Any breach of rules is liable to disciplinary action.

## Introduction

Kalika Multiple Campus (KMC), a community campus, was established by the collective effort of local academics and social activists in 1990 (2048 B.S.). It is a nonprofit autonomous campus, affiliated to Tribhuvan University (TU) and National Examination Board (NEB) of Nepal. It is a campus with a proud heritage, excellent programs and distinguished faculty. From its establishment, the campus has been preparing students to confront the global challenges. The campus is committed to ensuring quality education with its beautiful environment. In the process, the campus has forwarded the documents for the "Quality Assurance and Accreditation" certificate under QAA division of UGC. UGC support is one of the main components of the campus development. The campus has been successfully running its academic programs in compliance with the standards of teaching/learning environment specified by TU and UGC. KMC is the first campus in Gandaki province to offer Master's Degree in Rural Development Studies (MARDS) affiliated to TU.

## Mission

The mission of Kalika Multiple Campus is to provide affordable access to higher education in different disciplines for the people of the country. In view of the aim of evolving the campus into an academic excellence, the campus aspires to be educational hub of western region through continued focus on academic autonomy, program extension in technical and non-technical disciplines and continue to be QAA certified institution.

## Vision

KMC, intends to be a prestigious community based campus of higher education of Nepal committed to academic excellence by providing access to educational opportunities in different branches of knowledge to the people .

## Goal

- ✓ Physical Infrastructure Development.
- ✓ Faculty Development
- ✓ Academic Excellence.
- ✓ Program Extension.
- ✓ Institutional Capacity Development
- ✓ Students welfare and Extra-Curricular Activities
- ✓ Campus Community Linkage
- ✓ Financial Resource Development and Management.

## Salient Features

- ✧ Situated in a peaceful and enchanting environment.
- ✧ Remedial classes and close sessions for additional support.
- ✧ Library with ample books and reference materials and fully equipped laboratories.
- ✧ Highly qualified e-library, experienced and devoted teachers.
- ✧ Job placement for deserving students.
- ✧ Ample opportunities to participate in intra and inter-college technical exhibitions and competitions.
- ✧ Reasonable fee structure with various scholarship schemes.

## Scholarship

The campus has various scholarship schemes for underprivileged, diligent, ethnic minorities and dalit students. Students from remote rural areas are given special consideration. However, they must be successful in the internal examinations conducted by the campus to be eligible for the scholarships. Upto 10% of the total students will provided with the scholarships based on the criteria set by the campus .

## Science Labs

The campus has got three separate, well equipped spacious science labs for the practical studies of Physics, Chemistry and Biology.

## Cafeteria

The campus has a cafeteria within the premise for refreshments during the lunch break in the afternoon. It provides varieties of hygienic and nutritious food at cheap prices.

## Co-curricular Activities

The following student committees are active in the Campus for the welfare of the students and to help bring forth their latent potentialities.

- I. Student Welfare Committee
- II. Youth Red Cross Circle
- III. Students Council

## Games and Recreation

Along with academic excellence, Kalika Multiple Campus also provides the facilities of sport activities and recreational programmes for the overall development of the students. The campus has its own volleyball, basketball, football and badminton courts as well as table tennis. Besides, the campus organizes cultural programmes and students are also taken out for educational tours, short excursions and picnics.

## Uniform

Campus uniform is a must for all the students. The following uniforms are assigned for the students according to their convenience:
