KMC

KALIKA

A College for Excellence

Kalika Multiple Campus (KMC), a community campus, was established by the collective effort of local academics and social activists in 1990 (2048 B.S.). It is a nonprofit autonomous campus, affiliated to Tribhuvan University (TU) and National Examinations Board (NEB) of Nepal. It is a campus with a proud heritage, excellent programs and distinguished faculty. From its establishment, the campus has been preparing students to confront the global challenges. The campus is committed to ensuring quality education with its beautiful environment. In the process, the campus has forwarded the documents for the “Quality Assurance and Accreditation” certificate under QAA division of UGC. UGC support is one of the main components of the campus development. The campus has been successfully running its academic programs in compliance with the standards of teaching/learning environment specified by TU and UGC. KMC is the first campus in Gandaki province to offer Master’s Degree in Rural Development Studies (MARDS) affiliated to TU.

Message from the Chairperson

First of all let me thank all the students and parents for showing your interest in Kalika Multiple Campus for your higher studies. We welcome and appreciate your decision to join KMC, one of the oldest and renowned public campuses in the valley of Pokhara. Please rest assured that you have come to the right place, where you can find an amiable academic environment with outstanding learning opportunities, support, career counselling and job placements.

Here, I would like to remember and offer my due respect to all the pioneer educationists, leading social workers and philanthropists who envisioned the need of a temple of education in this part of the country and thus inceptioned KMC three decades ago. Ever since then, KMC has been imparting quality education and been successful in making the dreams of thousands of students come true. We can proudly say that our students have been able to establish themselves in various sectors of the society with in the country and abroad.

I would like to express my sincere gratitude to all the teachers, staff, CMC members, and stakeholders for their constant and selfless service to the campus.

Finally, I am too eager to state that KMC is underway to achieving its Quality Accreditation Assurance (QAA) certification from the University Grant Commission (UGC) under the leadership of the Campus Chief, Associate Professor Mr. Biranji Gautam. Not to mention, this certification will render Kalika Multiple Campus an international recognition.

Kiran KC
Chairman

Message from the Campus Chief

Kalika Multiple Campus (KMC) is a community based Academic institution established in the south eastern part of Pokhara valley. The three decades excellence of the campus now has become synonymous to innovative teaching learning activities.

KMC has been offering Bachelor's level programs in Management, Humanities and Education and Master's level Programs, MBS and MARDS. It is the sole identity of the campus that it has been running MARDS program, also the first in Gandaki Province, affiliated to TU. The campus has been able to produce excellent results in MARDS and MBS. The campus management is committed to carry out its dream and vision

At this crucial moment, I would like to place on record my sincere gratitude to our students, teaching and non-teaching staff, parents and management committee for reposing their trust in us. Finally yet importantly, I would like to express my sincere appreciation to TU and UGC for their continuous support in making this campus able to provide quality education.

(Assoc Prof. Biranji Gautam)
Campus Chief

Location

KMC is situated at Kajipokhari, to the southeastern part of Pokhara Metropolitan City nearby the International Airport with its own advanced infrastructure providing harmonious learning environment.

VISION

KMC, intends to be a prestigious community based campus of higher education of Nepal committed to academic excellence by providing access to educational opportunities in different branches of knowledge to the people .

MISSION
